

# Introducing Canadian-based **SIMCOE PLASTICS LTD.**

**Simcoe Plastics Ltd.** is long-standing Canadian-based Full-Service Distributor (& Exporter) of both commodities and compounded materials to the Plastics Industry throughout North America. We service both the Automotive and Non-Automotive markets.

With its international expansion and a potential Free Trade Agreement (FTA) with the UK, Simcoe Plastics Ltd. is taking the opportunity to introduce itself and its products.

## **The following is a list of our current products:**

- **Black Masterbatch**
- **Colourants**
- **Processing Additives**
- **Biopolymer (ECoRrect)**
- **Purge Compound**
- **Polypropylene Compounds**
- **Polyethylene Compounds**
- **Recycled Materials**
- **Functional Masterbatches**
- **Nylon 6 & 6/6 Products**

Simcoe Plastics Ltd. looks forward to developing its U.K. Partnerships, so should this be of interest, I look forward to hearing from you.
