READY TO SERVE

For over four decades, **Simcoe Plastics Limited** has been providing innovative, sustainable, and cost effective thermoplastic resins, colourants, additives, functional masterbatches, and processing solutions.

Our President, *Kurt Stahle*, began his career working at his family's plastics business as a teenager. The values he acquired early in life still ring true today; treat customers with the utmost respect, act with integrity, and share knowledge to problem solve and advance the industry.

We are passionate about meeting client needs, from the shop floor to the boardroom. We invite you to experience *the Simcoe Plastics Limited difference.*
